**COURSE:** Use of Force: De-Escalation, High Risk Traffic Stops, and Hands-On Scenario Based Training

**LESSON DESCRIPTION:**

This course is designed to train Officers on fundamental tactics required during high-risk patrol operations. The primary focus of this training is to develop officers who are prepared to apply proper, and proportionate force when required. Trainers will facilitate dynamic scenario-based role-playing throughout this course. Through scenarios attendees will apply de-escalation strategies, and proportional force that aligns with the countervailing governmental interest. At the completion of this course students will be able to demonstrate proficiency with the following tasks: De-escalation techniques, High Risk Traffic stops, Building Search tactics, and Arrest/React team tactics.

**LEARNING OBJECTIVES:**

- Understand and identify high-risk patrol operations while incorporating them into daily patrol activities.
- Identify and discuss use-of-force and safety priority issues related to high-risk patrol incidents. These include immediate defense of life, law, police, procedure, and established safety priorities.
